NOTES

Subject: Inspection - Sericulture - Silk Filature Factories, Kollegal - Construction work - Special Staff - Continuance.

To Addl Secy.

Please see the letter from the D.I.Sc at pp 1-2 cf.

The Special staff mentioned at N on p. 1 cf. was sanctioned at first for the supervision and expeditious completion of the construction of buildings etc for the Govt Silk Filature Factory. The cost on account this staff is to be recovered from the Govt of India as an item of Capital expenditure on the factory. (cf para 2, pp 3-4 cf (5))

While applying for the further continuance of this staff in July last, the D.I.Sc proposed that the work in connection with the Kollegal Silk Filature might also be supervised by the Special staff. (p 1 cf (5)) His proposals were approved with the direction that only the proportionate Cost of the Spl staff should be debited to the Capital expenditure on the Govt Silk Filature. (pp 3-4 cf (5) / para 2, pp 3-4 cf (3)) In his present letter, he has suggested that the Special staff should be continued for another 3 months from 1.10.43 as the items of work detailed at R on p 1 cf. will be to be Supervised. (* pp 1-2 cf / X on p 1 cf / R p 1 cf) It is submitted that item (i) only will fall to the legitimate work of the Special Staff and the other items of work which are borne entirely from the provincial funds should either be done by the P.W.D or the District Engineering Staff of the

or separate sanction obtained for engaging such a Special staff for the purpose. Besides this technical objection, the allocation of the expenditure recoverable from the Govt of India on account of the Govt Silk Dilatory Factory will become complicated (if the several items are clubbed together). The D.I.Sc has not specifically stated what items of work in the Govt Silk Dilatory Factory remains to be done yet and for how long the Special staff will have to be employed on this account. It is submitted that the Special staff may be continued further till 1.11.43 and particulars from the D.I.Sc as at A & B on pp 1-2 above may be called for to decide on the further continuance of the Special staff.

Subject to orders, a draft order on the lines of the previous sanction, is submitted for approval. It may be sent to Govt. Dept for acceptance

Para 2 of the letter: Separate accts will be taken after issue of orders re: para 1 of the letter. dealt with in this file. pp 1-2 ante 9.43

Although the items of work are different in nature, all of them are of Technological & are intimately connected with the production of Silk. The extension applied for may be granted. The allocation of expenditure can be done by the D.I.C. according to the value of work done in each place.
